Old Business

1. Transportation Committee Update

The Fayette County Commission is reorganizing the Transportation Committee. All Public Officials have been removed from the committee. It is expected that the new committee will still give cities, to include The Town of Woolsey, some representation. The Town Council will designate a representative when asked. Any citizen is welcome to attend the meetings and make comments. The committee meets the 1st Tuesday of each month at 2 pm in the Fayette County Public Meeting Room.

Discussion by the Fayette County Commission as to creating designated truck routes is still underway.

2. SPLOST

Two SPLOST Votes are scheduled

May 2022	E SPLOST	1% renewal
March 2023	Regular SPLOST	1% renewal

If the regular SPLOST is approved, The Town of Woolsey would likely be requested to submit a new project list on behalf of the Town. Mayor Laggis met with Steve Hoffman to discuss the possible upgrades, improvements, and new sidewalks. Further discussion of a potential list will be discussed after the vote(s).

3. Other

No other old business was brought before the Council

New Business

1. GMA Small Cities Conference

This Conference in Dublin, GA is expected to provide significant guidance to small cities and towns. Attendance would be very beneficial to the Town of Woolsey to be certain that we are complying with the various Codes, Standards, and Guidelines we are required to follow.

A motion was made for Mayor Laggis to attend the conference on behalf of the Town of Woolsey.

Motion: Councilman Ron Smith

2. Other

Prior to the meeting tonight, The Atlanta Regional Commission (ARC) held a public meeting to discuss our comprehensive plan. Mr. Ryan Schlom with the ARC presented the meeting which was followed with a question and answer session. There were 10 persons in attendance. The full committee will be meeting in about one week to further discuss the plan and recent comments. A mailer is going out to the Town Residents soon providing Town Residents with a survey opportunity regarding the Plan.
