Councilman Carden brought up pest control and all Councilmen were tasked to check with their pest control companies for quotes for bait stations, annual inspections and quarterly monitoring. Must have repair or replacement guarantee. An alarm system is also being looked into. Mr. Smith said that Bob Barnard had asked if the Mayor had asked the County for supplemental SPLOST funds to cover the overage. Mayor Laggis said that he had not as of yet.

Other – Marilyn Taylor, the president of the Retired Teacher's Association, presented Mayor Laggis with a certificate for writing letters to the students that their organization was honoring.
